Core agility course featuring a mix of all obstacles including jumps, tunnels and contact equipment. Dogs will run at their selected level, height and division.

Jumpers with Weaves Class (JWW)

A fast-paced course primarily made of jumps, tunnels and weave poles, excluding contact equipment. Dogs will run at their selected level, height and division.

Points & Distance Class (PAD)

PAD is a game of strategy involving distance handling and point accumulation. It is designed to test, skill, accuracy, speed, timing, and distance handling, and to demonstrate a dog's ability to work with its handler over a variety of agility obstacles. Dogs will run at their selected level, height and division.

Note: this class is not part of the Agility Master Championship titling program but offers standalone titles.

Jumps and Tunnels (J&T)

J&T is a game that tests dog and handler ability to work on a course designed entirely of jumps and tunnels. It is intended to demonstrate the dog's ability to respond to handling while performing at speed. All levels run the same course.

Steeplechase

Steeplechase is a fast-paced game designed to emphasize speed and control on a jumpers style course which contains the two most dynamic obstacles– the A frame and Weave Poles. The course design requires constant flow and a design that encourages speed throughout the course, while testing the handler's control. All levels run the same course.

Selected and Veteran Divisions

The Selected and Veteran Divisions follow the Agility Trials Rules and Regulations. The courses will be the same as in the Regular Division but will have adjusted height.

For Fun Only (FFO) Classes:

At the owner's discretion, dogs are able to run in the For Fun Only (FFO) class in any category. The owner is permitted to take their dog into the ring with a toy. Toys are allowed but the toy must be identified to the judge prior to entering the ring. A maximum course time of 60 seconds would be allotted. FFO entries must meet all eligibility rules as dogs running for Qualification. FFO runs may be allowed at the same or lesser fee at the club's discretion. A handler may choose to enter an FFO dog in any class, in any trial, at any performance level and at any jump height. Obstacle repetition is permitted without dismissal. Dogs are not allowed to enter the same class again for a qualifying run. Dogs must attempt to run the course as numbered and are under the same judging criteria as dogs that are running for qualification.
